## **I. BACKGROUND**

1  
2 A. On August 3, 2004, the United States of America ("United States"), on  
3 behalf of the Administrator of the United States Environmental Protection Agency  
4 ("EPA"), filed a complaint in this matter pursuant to Section 107 of the  
5 ~~Comprehensive Environmental Response, Compensation, and Liability Act of~~  
6 1980, as amended ("CERCLA"), 42 U.S.C. § 9607, seeking reimbursement of  
7 response costs incurred or to be incurred for response actions taken at or in  
8 connection with the release or threatened release of hazardous substances at the  
9 Waste Disposal, Inc. Superfund Site in Santa Fe Springs, California ("the WDI  
10 Site") from Powerine Oil Company ("Powerine"), CENCO Refining Company  
11 ("CENCO"), and Energy Merchant Corp. ("EMC"). The United States also  
12 alleged in the complaint that there was a fraudulent conveyance between Powerine  
13 and EMC, pursuant to the Federal Debt Collection Procedures Act ("FDCPA"), 28  
14 U.S.C. §§ 3001-3308, and that Powerine and EMC had failed to respond to  
15 information requests in a complete and timely manner, as required by Section  
16 104(e) of CERCLA, 42 U.S.C. § 9604(e).

17 B. EPA's selection of a remedy to address the contamination at the WDI  
18 Site is documented in a final Amended Record of Decision, executed on June 21,  
19 2002. The work required to implement that remedy ("WDI Remedial Action")  
20 was carried out by a group of potentially responsible parties referred to as the  
21 Waste Disposal Inc. Group ("WDIG") that did not include Powerine, CENCO or  
22 EMC. EPA certified that the WDI Remedial Action was complete at the WDI Site  
23 on September 14, 2006.

24 C. Separately, on September 28, 1990, the United States sent Powerine a  
25 Special Notice letter for the Operating Industries, Inc. Superfund Site ("the OII  
26 Site"), located at 900 Potrero Grande Drive, Monterey Park, California, alleging  
27 that Powerine was a Potentially Responsible Party ("PRP") at the OII Site.

28

1 D. Powerine and CENCO Refining are subject to a Cleanup and Abatement  
2 Order (Order No. 97-118) issued by the Los Angeles Regional Water Quality  
3 Control Board, and a state court injunction, obtained by the Community  
4 Development Commission of the City of Santa Fe Springs, and entered April 14,  
5 2004 (Case No. VC 03890, Los Angeles County Superior Court), requiring  
6 remediation of their former oil refinery property, located at 1234 Lakeland Road,  
7 Santa Fe Springs, California.

8 E. On October 14, 1998, EPA sent Powerine a notice letter indicating that  
9 Powerine was liable as a *de minimis* party at the Casmalia Resources Superfund  
10 Site ("the Casmalia Site"), located at NTU Rd-539 San Ysidro Blvd., Casmalia,  
11 California.

12 F. As a result of the release or threatened release of hazardous substances at  
13 or near the WDI Site, the State of California Department of Toxic Substances  
14 Control ("DTSC") has undertaken response actions at or in connection with the  
15 WDI Site pursuant to state and federal law, and will undertake response actions in  
16 the future. DTSC is a support agency to EPA with respect to the WDI Site.

17 G. As a result of the release or threatened release of hazardous substances  
18 at or near the Casmalia Site, DTSC, the Regional Water Quality Control Board for  
19 the Central Coast Region (the "Regional Board"), and the Department of Fish and  
20 Game ("DFG") have undertaken response actions at or in connection with the  
21 Casmalia Site pursuant to state and federal law, and will undertake response  
22 actions in the future. DTSC, the Regional Board and DFG are support agencies to  
23 EPA with respect to the Casmalia Site.

24 H. Information currently known to DFG indicates the presence of one or  
25 more state natural resources at or near the Casmalia Site which may have been, or  
26 which may be, injured by release(s) of hazardous substances. DFG is the state  
27 agency authorized to act on behalf of the public as a trustee for the natural  
28 resources within California. DFG has claimed Natural Resource Damages at the

1 Casmalia Site, including response costs incurred by the DFG prior to October 1,  
2 1999.

3 I. As a result of the release or threatened release of hazardous substances at  
4 or near the OII Site, DTSC has undertaken response actions at or in connection  
5 with the OII Site pursuant to state and federal law, and will undertake response  
6 actions in the future.

7 J. DTSC, DFG, and the Regional Board (collectively the "State Plaintiffs")  
8 have concurrently filed a complaint against the Powerine, CENCO and EMC  
9 (collectively referred to as "Settling Defendants") alleging that the Settling  
10 Defendants are liable to the State Plaintiffs under Section 107(a) of CERCLA, 42  
11 U.S.C. § 9607(a), for response costs incurred or to be incurred by the State  
12 Plaintiffs at the WDI Site, OII Site, and the Casmalia Site, and for Natural  
13 Resource Damages at the Casmalia Site. DFG has also asserted a claim for  
14 Natural Resource Damages with respect to the Casmalia Site under 42 U.S.C.  
15 section 107(f), 42 U.S.C. § 9607(f).

16 K. Settling Defendants submitted Financial Information to the United  
17 States and gave permission for the United States to share the Financial Information  
18 with the State Plaintiffs. The United States and the State Plaintiffs have reviewed  
19 the Financial Information to determine whether Settling Defendants are financially  
20 able to pay response costs incurred and to be incurred at the WDI, OII, and  
21 Casmalia Sites. Based upon this Financial Information, the United States has  
22 determined that Settling Defendants are able to pay the amounts specified in  
23 Section V. The State Plaintiffs have determined that Settling Defendants are able  
24 to pay the amounts specified in Section VI.

25 L. Settling Defendants that have entered into this Consent Decree do not  
26 admit any liability to the United States arising out of the transactions or  
27 occurrences alleged in the complaint, or described in the special notice letters  
28 regarding the OII and Casmalia Sites.

1 M. The United States, State Plaintiffs, and Settling Defendants agree, and  
2 this Court by entering this Consent Decree finds, that this Consent Decree has  
3 been negotiated by the Parties in good faith, that settlement of this matter will  
4 avoid prolonged and complicated litigation between the Parties, and that this  
5 Consent Decree is fair, reasonable, and in the public interest.

6 THEREFORE, with the consent of the Parties to this Decree, it is  
7 ORDERED, ADJUDGED, and DECREED:

11 and also has personal jurisdiction over Settling Defendants. Solely for the

17 Paragraph shall be identified as "stipulated penalties" and shall be made by

10 Settling Defendants shall reimburse the United States for all costs of such action,

24 whether DTSC has notified Settling Defendants of the violation or made a demand  
25 for payment, but need only be paid upon demand. All penalties shall begin to  
26 accrue on the day after payment is due and shall continue to accrue through the  
27 date of payment. Nothing herein shall prevent the simultaneous accrual of

18        23. Covenant Not to Sue by United States. Except as specifically

 5 respect, inaccurate, Settling Defendant shall forfeit all payments made pursuant to  
 6 this Consent Decree and this covenant not to sue and the contribution protection in  
 7 Paragraph 45 shall be null and void. Such forfeiture shall not constitute liquidated  
 8 damages and shall not in any way foreclose the United States' right to pursue any  
 9 other causes of action arising from Settling Defendants' false or materially  
 10 inaccurate information. This covenant not to sue extends only to Settling  
 11 Defendants and does not extend to any other person.

12 seeking to compel Settling Defendants to perform response actions relating to the  
13 Casmalia Site, and/or to reimburse the United States for additional costs of  
14 response and/or Natural Resource Damages, if information not currently known to

3 assert claims or causes of action against any non-de minimis PRPs that have not  
4 settled their liability for the Casmalia Site;

5           c. any of the defendants in *United States v. ABB Vetco Gray Inc.*, Civ. No.  
6 96-6518-KMW (JGx), that are parties to the Casmalia Consent Decree entered in  
7 that action on June 27, 1997; and

8           d. any person that has entered or in the future enters into a settlement  
9 agreement with the United States, EPA or State Plaintiffs for response costs or  
10 Natural Resource Damages claims for matters addressed in such settlement.

11           42. Settling Defendants agree not to assert any claims and to waive all  
12 claims or causes of action they may have for all matters relating to the OII Site,  
13 including, but not limited to, for contribution, against any person where the  
14 person's liability to Settling Defendants with respect to the OII Site is based solely  
15 on having arranged for disposal or treatment, or for transport for disposal or  
16 treatment, of hazardous substances at the OII Site, or having accepted for transport  
17 for disposal or treatment of hazardous substances at the OII Site, if EPA  
18 determines that: (a) any materials contributed by such person to the OII Site  
19 constituting municipal solid waste or municipal sewage sludge did not exceed  
20 0.2% of the total volume of waste at the OII Site; and (b) any materials contributed  
21 by such person to the OII Site containing hazardous substances, but not  
22 constituting municipal solid waste or municipal sewage sludge, did not exceed  
23 2,100 gallons of liquid materials, or the equivalent, using EPA's conversion  
24 factors. This waiver shall not apply to any claim or cause of action against any  
25 person meeting the above criteria if EPA has determined that the materials  
26 contributed to the OII Site by such person contributed or could contribute  
27 significantly to the costs of response at the OII Site. This waiver also shall not  
28

1 apply with respect to any defense, claim, or cause of action that a Settling  
 2 Defendant may have against any person if such person asserts a claim or cause of  
 3 action relating to the OII Site against such Settling Defendant.

4 43. Settling Defendants agree not to assert any claims and to waive all  
 5 ~~claims or causes of action that they may have for all matters relating to the OII~~  
 6 Site, including, but not limited to, for contribution, against any person that has  
 7 entered into a final CERCLA § 122(g) de minimis settlement with EPA or State  
 8 Plaintiffs with respect to the OII Site as of the effective date of this Consent  
 9 Decree. This waiver shall not apply with respect to any defense, claim, or cause of  
 10 action that a Settling Defendant may have against any person if such person  
 11 asserts a claim or cause of action relating to the OII Site against such Settling  
 12 Defendant.

### 13 **XIII. FURTHER EFFECT OF SETTLEMENT/**

#### 14 **CONTRIBUTION PROTECTION**

15 44. Nothing in this Consent Decree shall be construed to create any rights  
 16 in, or grant any cause of action to, any person not a Party to this Consent Decree.  
 17 Except as provided in Paragraphs 41, 42, 43 and 47 (Waiver of Claims), the  
 18 Parties expressly reserve any and all rights (including, but not limited to, any right  
 19 to contribution), defenses, claims, demands, and causes of action that they may  
 20 have with respect to any matter, transaction, or occurrence relating in any way to  
 21 the WDI Site, the OII Site, or the Casmalia Site against any person not a Party  
 22 hereto.

23 45. The Parties agree, and by entering this Consent Decree this Court  
 24 finds, that Settling Defendants are entitled, as of the date of entry of this Consent  
 25 Decree, to protection from contribution actions or claims as provided by Section  
 26 113(f)(2) and (3) of CERCLA, 42 U.S.C. § 9613(f)(2) - (3), for "matters  
 27 addressed" in this Consent Decree. The "matters addressed" in this Consent  
 28

1 Decree are all response actions taken or to be taken and all response costs incurred  
2 or to be incurred by the United States, the State Plaintiffs, or any other person with  
3 respect to the WDI Site, the OII Site, and the Casmalia Site, and the State Natural  
4 Resource Damages Claim with respect to the Casmalia Site, except for those  
5 matters expressly reserved herein.

6 46. Each Settling Defendant agrees that, with respect to any suit or claim  
7 for contribution brought by it for matters related to this Consent Decree, it will  
8 notify EPA, DOJ, and the State Plaintiffs in writing no later than 60 days prior to  
9 the initiation of such suit or claim. Each Settling Defendant also agrees that, with  
10 respect to any suit or claim for contribution brought against it for matters related  
11 to this Consent Decree, it will notify EPA, DOJ, and the State Plaintiffs in writing  
12 within 10 days of service of the complaint or claim upon it. In addition, each  
13 Settling Defendant shall notify EPA, DOJ, and the State Plaintiffs within 10 days  
14 of service or receipt of any Motion for Summary Judgment, and within 10 days of  
15 receipt of any order from a court setting a case for trial, for matters related to this  
16 Consent Decree. However, EPA, DOJ, and the State Plaintiffs acknowledge  
17 notice of the claims for contribution already filed by Settling Defendants in  
18 *Powerine, et al. v. Estate of Rothschild, et al.*, Case No. CV 06-0855 (C.D. Cal).

19 47. In any subsequent administrative or judicial proceeding initiated by  
20 the United States or the State Plaintiffs for injunctive relief, recovery of response  
21 costs, or other relief relating to the WDI Site, the OII Site, or the Casmalia Site,  
22 Settling Defendants shall not assert, and may not maintain, any defense or claim  
23 based upon the principles of waiver, *res judicata*, collateral estoppel, issue  
24 preclusion, claim-splitting, or other defenses based upon any contention that the  
25 claims raised by the United States or the State Plaintiffs in the subsequent  
26 proceeding were or should have been brought in the instant case; provided,  
27 however, that nothing in this Paragraph affects the enforceability of the Covenant

28

1 Not to Sue by United States or the State Plaintiffs set forth in Sections VIII and X,  
2 respectively.

#### 3 **XIV. RETENTION OF RECORDS**

4 48. Until 10 years after the entry of this Consent Decree, each Settling  
5 Defendant shall preserve and retain all records, reports, or information (hereinafter  
6 referred to as "records") now in its possession or control, or which come into its  
7 possession or control, that relate in any manner to response actions taken at the  
8 WDI Site, the OII Site, or the Casmalia Site, or the liability of any person under  
9 CERCLA with respect to these Sites, regardless of any corporate retention policy  
10 to the contrary.

11 49. After the conclusion of the 10-year document retention period in the  
12 preceding paragraph, Settling Defendants shall notify EPA, DOJ and the State  
13 Plaintiffs at least 90 days prior to the destruction of any such records, and, upon  
14 request by EPA, DOJ, or the State Plaintiffs, Settling Defendants shall deliver any  
15 such records to EPA or the State Plaintiffs. Settling Defendants may assert that  
16 certain records are privileged under the attorney-client privilege or any other  
17 privilege recognized by federal law. If Settling Defendants assert such a privilege,  
18 they shall provide Plaintiff with the following: 1) the title of the record; 2) the  
19 date of the record; 3) the name, title, affiliation (e.g., company or firm), and  
20 address of the author of the record; 4) the name and title of each addressee and  
21 recipient; 5) a description of the subject of the record; and 6) the privilege  
22 asserted. If a claim of privilege applies only to a portion of a record, the record  
23 shall be provided to Plaintiff in redacted form to mask the privileged information  
24 only. Settling Defendants shall retain all records that they claim to be privileged  
25 until the United States has had a reasonable opportunity to dispute the privilege  
26 claim and any such dispute has been resolved in the Settling Defendants' favor.  
27 However, no records created or generated pursuant to the requirements of this or  
28

1 any other settlement with the EPA or the State Plaintiffs pertaining to the WDI  
 2 Site, the OII Site, or the Casmalia Site shall be withheld on the grounds that they  
 3 are privileged.

4 50. Each Settling Defendant hereby certifies individually that, to the best  
 5 of its knowledge and belief, after thorough inquiry, it has:

6 a. not altered, mutilated, discarded, destroyed or otherwise disposed of any  
 7 records, reports, or information relating to its potential liability regarding the WDI  
 8 Site, the OII Site, or the Casmalia Site since notification of potential liability by  
 9 the United States or the State Plaintiffs or the filing of suit against it regarding  
 10 these Sites and that it has provided all documents and information sought by any  
 11 and all EPA requests for information pursuant to Sections 104(e) and 122(e) of  
 12 CERCLA, 42 U.S.C. §§ 9604(e) and 9622(e), and Section 3007 of RCRA, 42  
 13 U.S.C. § 6972;

14 b. submitted to EPA and DOJ and, through EPA, to the State Plaintiffs,  
 15 Financial Information that fairly, accurately, and materially sets forth its financial  
 16 circumstances, and that those circumstances have not materially changed between  
 17 the time the Financial Information was submitted to EPA and DOJ and the time  
 18 each Settling Defendant executes this Consent Decree.

#### 19 **XV. NOTICES AND SUBMISSIONS**

20 51. Whenever, under the terms of this Consent Decree, notice is required  
 21 to be given or a document is required to be sent by one party to another, it shall be  
 22 directed to the individuals at the addresses specified below, unless those  
 23 individuals or their successors give notice of a change to the other Parties in  
 24 writing. Written notice as specified herein shall constitute complete satisfaction of  
 25 any written notice requirement of the Consent Decree with respect to the United  
 26 States, EPA, DOJ, the State Plaintiffs, and Settling Defendants, respectively.
